From the Chairman's Desk

It is an absolute and privilege to be associated with a school that epitomized merit and quality and has tirelessly worked to set unmatched benchmarks in the Indian educational sector over the years. The school with its unparalleled focus has become the alma mater which all alumni look back to with memories that last a lifetime. The school is strongly committed to give our motherland many doctors, engineers, professionals, brave and distinguished military personnels and leaders in other diverse fields of life.

The school has been my *raison d'être* for the last 24 years. All these years of association with this prestigious institution has been an emotional journey of great learning for me. I am dedicated not only to uphold the immaculate image and values, but also to set new benchmarks over the years. We have been to bring the sense of knowledge, dynamism, consciousness, tolerance and sustained commitment in our aspirants. I am proud to have a highly skilled and trained teaching staff who is committed to impart supreme educational services.

I along with my team of dedicated teaching and non-teaching staff, am determined to raise high standards of education to the Zenith.

Mr. G. L. Kaler [Chairman]
(Defence Group of Education)

DEFENCE School Coaching

For Sainik and Military School Entrance Exam

No matter what you dream of accomplishing in life (Military school, Sainik school) are the sturdiest possible foundation for success. We work towards empowering aspirants, ignite their passion, stir their dedication and equip them with the rare knowledge skills and competitive spirit which help them to evolve as a winner with sheer exuberance, passion and dedication we wish to match towards fulfilling millions of dreams and aspirants.

We have begotten 2859 Selection. The selected students from our academy are serving on different offices as doctors, engineers pilots and army officers. They have brought name and fame to the academy. Now they are spreading the flair of success in the country.

Aim : It is the sole aim of Defence Coaching to found to facilitate and stimulate the aspirants with the highest level of expertise to achieve success in Sainik and Military School entrance test-one of the toughest competition in the country. The main purpose of this academy is to prepare the students physically, mentally and academically, so that they may be good and responsible citizens of our country.

Admission Procedure

In Sainik and Military Schools admissions are considered in class VI and IX. So, we have divided Sainik and Military School entrance coaching into two parts.

Pre-Coaching : If you intend to admit your ward in Sainik and Military School and desirous for coaching from initial stage, pre-coaching is provided for the students of class II, III and IV to strengthen their foundation.

Target Coaching : In Sainik and Military Schools entrance test is conducted to admit the students in class VI and IX. For preparation the students should be in class V or VIII. For this cause a team of expert mentors is engaged to prepare the students for this entrance exam. Our team of expert and experienced mentors has designed and developed unique programmes to create a comfortable and stimulating learning atmosphere combining with the latest teaching techniques to produce results. That's why we produce maximum selections in Sainik and Military School.
